EDITOR'S MESSAGE

As the 1968-69 school year comes to an end, we, the students of Talladega County High School, can look back on one of the best years we have ever had. We have seen our school progress very rapidly during this year.

In the years to come, we hope all of you will look through this book and will remember all the good times we had in the year 1969. These will be memories that each and every one of you will cherish forever.

On behalf of the Linala Staff, I would like to express our sincere appreciation to Miss Shirley Allen and Mrs. Ann Posey for getting the Linala started this summer, to Miss Browning for the help she has given us, and to Mr. Waldrop for standing by us throughout the year.

Now, with pride, I present to you the 1969 LINALA.

Rosalind Ray

MR. AND MISS LINALA

PAT QUILLIAN and DEBBIE ADAMS

ALMA MATER

Lincoln High, Dear Alma Mater,
To thee our love we bring;
To our happy school day memories
We will always sing.

Lincoln High, we'll praise thee ever
All through our life's career,
And our hearts are turning ever
To our school so dear.

CHORUS
Steadfast, loyal, ever true
To thee we'll always be.
Gold and Black will reign forever
In our hearts to thee.

Any Annual Staff and sponsor is to be commended for their many hours of extra-curricular work in preparing and publishing an annual. I want to take this opportunity to commend each of you for your efforts.

I would like for each student to take a positive attitude and enumerate all the good things that have happened to Talladega County High School and to many of its students of the last few years. Our progress is slow - but we are growing. We must settle for nothing but the best.

COUNCIL

The students of Talladega County High are proud to say that our Student Council is a working council. They sponsor Homecoming Week, which was fabulous this year. Also the Twirp Week in March is sponsored by the Student Council. Not only does our council sponsor entertainment, but also works to better the school. This year a kangaroo court was held to determine a matter which stirred up the whole school. The officers, sponsors, and representatives have put forth an effort to make Talladega County High School a proud school.

BETA CLUB

The students of Talladega County High are proud to say that our Beta Club is one of the most outstanding scholastic organizations in our high school.

We now have a total of sixteen hard-working members in our organization.

Our sponsor for 1968-69 was Mrs. Audrey F. Watson, who has served the Beta Club faithfully for a number of years.

The National Beta Club is a leadership-service organization for high school students. Individual integrity and self-dependence are stressed constantly in the Beta Club.

A Beta Club member is supposedly thought of as having these qualities:

Honesty	Industriousness
Justice	Co-operation
Service	Responsibility
Charity	Humility

PEP CLUB

To be a member of the PEP CLUB, a student must show good school spirit and participate in the athletic program.

Before our school will be No. 1, the student body will have to show their concern. T.C.H.S. is only as good as we make it!

B - Be a good student.
E - Everything you do reflects on your school.
A - Act with respect for everyone.
R - Reach your goal through hard work.
S - Strive to accomplish something worth while.

FUTURE HOMEMAKERS OF AMERICA

We are the Future Homemakers of America. We face the future with warm courage and high hope. We have the clear consciousness of seeking old and precious values. We are the builders of homes: homes for America's future; homes where living will be the expression of everything that is good and fair; homes where truth, love, security, and faith will be realities, not dreams. Our motto is a challenge. It reminds members that their contributions to home life today will influence the kinds of homes they have tomorrow; that the family life of members will influence the community and the world. Our colors are red and white. Red suggests strength. White is a symbol of sincerity. Join F.H.A.

The G. A. A. is designed to help promote the importance of our physical fitness program.

During the school year, the G. A. A. sponsors basketball, volleyball, and softball tournaments for the benefit of the girls who will participate.

The members of the Girls Athletic Association would like to encourage all girls to be more athletic and to take their Physical Education class more seriously.

Our thanks to Mrs. Thrash, who has helped the girls "Physical Education" department to grow and has impressed in the girls' minds the importance of physical fitness.

"L" CLUB

The "L" Club is an organization of football, basketball, and baseball lettermen. The cheerleaders play a vital part of our athletic program and are also members of the club.

The boys and girls, who participated in the 1969 athletic program deserve a lot of admiration. It takes a lot of intestinal fortitude to stick with a job even if it does not go the way one may wish.

Lions Dedicated To Victory In Tonight's Clash With Bears

LINCOLN—The Golden Bears of Coach Julius Head will dedicate their brand new stadium—Cox Memorial—Friday at 7:30 p.m. against the Munford Lions.

The Bears were originally scheduled to dedicate the stadium on their first game of the season against Lineville, which they lost 20-0, but some of the dignitaries invited for the official dedication ceremonies could not get there until a later date.

But from the way things look, the Bears should have dedicated the stadium with the 20 point loss to Lineville, because it could be worse Friday.

First string Bear halfback Jimmy White is definitely out for the Munford clash with a knee injury. Pat Quillian, the senior fullback and linebacker who has been 75 per cent of the Lincoln offense and defense this year, is listed as "doubtful" by Head.

"Pat has a bad charlie horse that he received in practice a week or so ago and reinjured in the Winterboro game," he said. Quillian may see action on offense but definitely is out on defense.

Head plans to replace Quillian with junior Leroy Le mon has been a good p as defensive cornerbac move up to lineback fense. White will be re Donnie Waites, also a cornerback in the fi games.

HOMECOMING

LOTS of WORK devoted
to HOMECOMING

Thanks to the Student Council and cheerleaders, Homecoming week started with a great deal of enthusiasm.

In preparing for the big event, signs were put in the halls to boost spirit. The pep rallies of the before games helped the morale of the Bears. The inspiring talks of our coaches along with the assembly program, prepared by the cheerleaders, started HOMECOMING '69 with a bang!
